Terms and Conditions

These prices will be applied for transports orders that are not covered by a commercial agreement or contract between Lineas and the requesting party.

These prices only cover for the part of the transport which is performed by Lineas resources. If Lineas would require a co-contractor to produce a part of the transport, the co-contractor will apply his specific internal tariff, which will be added by Lineas to the total end price.

Prices include the creation of a freight letter (CIM) by Lineas. Extra value added services (VAS) are not included and can be consulted on our website.

Go to www.lineas.net → "Tariffs" : VAS PLUS CATALOG 2026

Allowed payment instructions: only franco by departure (DDP)

Transport from/to sidings, which have no regular SWL service, are excluded from these rates. The VAS prices can be consulted on our website.

Go to www.lineas.net → "Tariffs" : Siding Frequencies & VAS Prices

Lineas' energy surcharge is included in these rates and won't be added to these prices.

Lineas' general terms and conditions for provision of services apply. They can be consulted [here](#).
